Dear Houston Heights Woman's Club:

With YOUR help... CIS keeps 99% of its students in school!

Communities In Schools of Houston (CIS) serves students and their families in Greater Houston on the school campus and virtually... *wherever the students are!* CIS is providing supportive guidance and counseling on campuses and reaching out to our students virtually, either by phone, text, email or via secure audio-visual conferencing.

Whatever it takes, CIS is there!

We cannot thank you enough for the in-kind gift of providing white button down shirts to our students at Heights High School in February. Your meaningful gift allows CIS to make a significant difference in the lives of our students by removing obstacles to learning, easing the burden on parents, freeing teachers to teach, and allowing students to learn.

We so appreciate your support. Generous and thoughtful donors like you have allowed CIS to grow from supporting students on one campus in 1979 to now serving on 169 campuses today, providing much needed mental health counseling, academic support, mentoring, college and career access, and parental engagement to countless underserved students and their families. Without your commitment, this would not be possible.

Again, thank you for your gift! If you would like to learn more about making a difference in a student's life, please feel free to call Donna Wotkyns, our Director of Development, at 713.419-9796, or visit our website at www.cishouston.org.

No goods or services were provided in exchange for this contribution.

Most Sincerely,

Lisa Descant, LPC-S, LMFT-S
